THE ENTERTAINING ISSUE!

Something To Cheer About
 A lounge-like atmosphere pervades the redecorated wine stand, thanks to outdoor furnishings from Thayer's Hardware & Patio—including Fermob's Luxembourg chairs, Kingsley Bate's teak tables and faux woven-wicker Spencer settees and club chairs, and umbrellas by Woodline Shade Solutions (THIS IMAGE). What better to serve with all that wine? Beautiful platters of cheese, fruit, and charcuterie (OPPOSITE). See Resources.

ALFRESCO AFFAIR

Lauren Thayer Weiss and Erin Dickson, the sisters behind Thayer's Hardware & Patio, join forces with Joey Wölffer to reimagine the popular wine stand at Sagaponack's Wölffer Estate Vineyard

Hostesses With The Mostest

(TOP RIGHT) Lauren Thayer Weiss and her sister, Erin Dickson, flank Joey Wölffer at the wine stand's kickoff cocktail party. "The redesign came about very organically," recalls Wölffer. "We wanted to make the wine stand more special—it hadn't always been our focus." Adds Thayer Weiss: "It was a true collaboration, and we're thrilled with the outcome!" (ABOVE AND FAR MIDDLE RIGHT) Light bites included four types of Danish *smørrebrød* and lobster salad from Loaves & Fishes Food Store. (NEAR RIGHT) Wölffer's David Chinn.
